A lovely evening was had at the August Last Wednesday Club, kindly hosted by ANZ Bank, thank you to Tania and her team. Next month's Last Wednesday Club is the Pop UP Business Expo, see below for further details.

Now's the time to book your space as one of the four hosts of the Christmas Last Wednesday Club which is held in November on the 29th, these details are included below.

Best Wishes, Belinda Topp - Promotions and Membership

It is great to see Spring is on its way and the days are warming up.

The Board recently presented a submission to the Waiamakariri District Council District Development Strategy. We were positively received with our submission based around the further development of the Rangiora CBD, as well as the continuing expansion of the Southbrook area. We have a strong membership in both areas and our focus is to continue the promotion of both locations. The Councillors also took the opportunity to discuss other items including car parking, and the expansion of the business zones to accommodate the districts future growth.

Best Wishes, Ross Ditmer, Chairperson

Message from Waimakariri District Council

A number of speed limit changes have been put in place in Rangiora and Mandeville following recent community feedback on various speed limit reviews.

The Council asked residents whether speed limits should be lowered on Rangiora's Kippenberger Avenue, Northbrook Road, Rangiora-Woodend Road, Lehmans Road and River Road. Responses from submitters were overwhelmingly supportive of the proposed changes, with between 76 and 82% in favour of the speed limit reductions. New speed limit signage is now in place.
