Around Town - February Newsletter

Good morning all

I was thrilled to accompany Ross and visit the Rangiora Borough School to award first prize for the best decorated float in the 2016 Santa Parade. These Students and the PTA did such a great job and really deserved the win!

This short month has flown by and even more so due to our many projects we are currently involved in. Eats & Beats is coming together well and we are receiving applications and enquiries from many food vendors and markets.

Rangiora Promotions have been supporting the Rangiora Borough School PTA to produce another exciting new event: 'The Outdoor Community Cinema'. You can find further details below and don't forget it's on this Saturday so make sure you head along and support this fantastic initiative.

We had our first Last Wednesday Club for the year and I hear it went off without a hitch with a very positive turn out of 35+ people including some new businesses too.

We will keep in touch with you a lot over the next month in regards to Eats & Beats and provide updates as new aspects are confirmed.

We have some further new projects in the pipeline for 2017 in addition to our six annual events and monthly networking functions and I can't wait to share these with you in due course.

Just a reminder to keep in touch with me over the year if you have any news or promotions you would like us to share with our members and the community, or if you have any events or initiatives you would like my assistance on.

Best wishes, Belinda Topp - Promotions and Membership

Rangiora Promotions has held it's first committee meeting for the year and the large attendance of the team was very pleasing to see and validates that we are indeed in a strong position moving forward. One agenda item raised that we intend to pursue is looking to the future and how Rangiora Promotions will look in five years' time.

The Committee is meeting shortly to have a dedicated strategy meeting to brainstorm ideas and implement new projects. An example of this is the new 'Eats and Beats' event which will replace Harvest week in April. While Harvest week was a 'feel good' event Rangiora Promotions believe we need to raise the bar and create attractions that place Rangiora firmly on the map and the committee is certainly all on board with this approach and I trust our members will welcome these initiatives to make Rangiora a destination for all.

Watch this Space!

Best wishes, Ross Ditmer - Chairperson

Winner of the Best Decorated Santa Float for 2016

Ross and Belinda attended Rangiora Borough School first assembly of the year to present the School PTA & Students with the 'Our Town Rangiora' Shield and \$200 of New World Vouchers.

The School were incredibly pleased to win this prize as they have worked hard for many years putting together various themed floats and always go to a considerable effort in doing so.

Well done to the PTA & Students who worked together to come up with a 'Kiwi Christmas' themed float. Outstanding effort!

Outdoor Community Cinema - Saturday 4th March

Presented by the Rangiora Borough School PTA, the Outdoor Community Cinema is a new initiative and exciting community event for all to enjoy.

Kicking off from 7pm with entertainment and food available in Victoria Park, Rangiora and 'The Secret Life of Pets' starts at 8:30pm.

This is a fundraiser for the School but also a great event for all to attend which isn't going to break the bank! (Gold Coin donation)

The Secret Life of Pets is absolutely hilarious so suitable for adults too. Make sure you show your support of this event and fingers crossed it becomes an annual event for our community.

The Rangiora Borough School PTA would like to acknowledge their sponsors and supporters:

- Rangiora Promotions
- CERT - Your local gaming trust Ltd
- Hellers
- Ray White Rangiora Morris and Co
- Horton Signs
