## PROMOTIONS

*promoting our town*

### **Around Town - July Newsletter**

It has been wonderful to see Rangiora as a hive of activity over the past month, in particular last weekend at The Big Splash and with the Rangiora Winter Festival filling up the town centre. The Rangiora Winter Festival Committee have worked tirelessly over the past six months to pull together a wonderful attraction for Rangiora and our community.

I am really proud of the local community for getting in behind The Big Splash and coming together to produce a strong, and successful fundraiser for the Rangiora Stroke Club.

It's exciting to see further developments within Rangiora with Briscoes on schedule to open by mid to late September. Stage 2 of this development project includes Animates, Supercheap Auto and Warehouse Stationery to complete the corner site. There is hope that that Stage 2 may be completed by the end of the year.

Read on to learn more about our upcoming Pop Up Business Expo, The Big Splash, and our many new members.

#### **Best wishes, Belinda Topp - Promotions and Membership**

Well another very successful event has just been completed with the 'The Big Splash' conducted on the front lawn of the Waimakariri Council building. The 28 jumpers were lucky that the day was absolutely stunning! With every event, we hold a thorough debrief and look at firstly the feasibility of the event, and then whether it still 'fits' with our direction.

Belinda and her committee should be congratulated on raising the profile and just about doubling the money raised from last year. The Rangiora Stroke Club are the benefactors and I'm sure they will put the funds to good use.

On another note we have submitted a paper on the District Development Strategy and will speak to our submission later in August, we will keep you posted on the outcome.

#### **Best wishes, Ross Ditmer - Chairperson**

# The Big Splash 2017

The Big Splash is organised in partnership with the Lions Club of Rangiora and the Rangiora High School Leos Club. We are very pleased with the growth of this fundraising event over the past two years and this year was most spectacular. We took a leap from last year's 15 participants to a total of 28 this year. As you can imagine asking people to commit to throw themselves into a pool of freezing cold water in the middle of winter isn't the easiest task so having this number was most thrilling and made a particular difference in the funds we raised.

This year's Splash for Cash Champions were: David Gellatly, Sarah Lewis and Geoff Callander, well done to these three who really went above and beyond to raise funds for the Stroke Club.

Our best dressed participant was: Sarah Lewis who looked absolutely stunning.

**Thank you to all 28 of our participants for the extensive effort you put into raising funds, dressing up and taking part on the day - you were all a lot of fun and your efforts raised a very grand \$5,573,90!**

Once again thank you the Lions and Leos Clubs who support Rangiora Promotions to produce The Big Splash, and also made a very generous donation to the Stroke Club, bringing our total raised to \$6,307.90

**We would like to extend thanks to our key sponsors who enabled us to produce The Big Splash:** *Motivation Design, Snap Fitness Rangiora, Compass FM, The North Canterbury News and the Northern Outlook.*

**Thank you to our supporters who also made the event possible:** *Waimakariri District Council, The Rangiora/Ashley Community Board, Murray Clarke, Flight Centre, Rangiora Shoelines, The Oxford Observer, ANZ Bank, Rangiora Hire, Department of Conservation Regional Fire, the*

*Rangiora Volunteer Fire Brigade, Life Pharmacy, Stirling Sports, The Warehouse, Coffee Worx, The Organic Coffee Lab, Hachi Hachi, Happy Hire and Monteith's Rangiora.*

The Rangiora Stroke Club coordinator, Barbara was over whelmed with the support the event has gained and said the funds we raised has enabled them to add an additional physiotherapy session into their week for their Stroke Survivors.

If you did attend The Big Splash we will be calling for your feedback on the event, to ensure we are always improving so please keep an eye on our [Facebook page](#) and your emails.

## Last Wednesday Club

**The July Last Wednesday Club hit our record attendance!  
(57 according to Bev)**

Ross Ditmer from Bayleys shared some of the history of Bayleys Real Estate, why he chose them for his Real Estate career, and their ongoing commitment to the community - including supporting the Make a Wish Foundation. Paul from Anytime Fitness informed us they are hoping to open at 194 King Street in October. Please [follow them on Facebook](#) to keep up-to-date. Paul and his wife Julie moved to North Canterbury two years ago and have no desire to journey back over the bridge, so they decided to start a business that Paul has a passion for after struggling with his own fitness over the years.

**Join us at the next Last Wednesday Club on Wednesday 30 August**

**Hosted by:** ANZ Rangiora

**Where:** ANZ, 85 High Street, Rangiora

## Rangiora Winter Festival

Well done to the Rangiora Winter Festival Committee who produced the

Festival held over last weekend. I attended the Drive-In Movie on the Saturday night and it was such a fun activity for families and thanks to Robin Brown at New World the whole event was free, including snacks!

It was so wonderful to see Rangiora alive with activity and it just made me think how lucky we are to live in a place where there are so many motivated community minded people, willing to volunteer their time to provide events like these.

### **Supervising and Managing Others – 5 September**

A great team leader can make all the difference to a business. This course covers all aspects of supervisory roles from handling conflict to creating a motivational environment and will equip attendees with all the skills and tools required to lead their team effectively and efficiently.

For more information on this course and the ENC training calendar [click here](#).

## Message from Waimakariri District Council

### ***Let There be Lights!***

The wait is nearly over.

Rangiora's third set of traffic lights are just over a week away, after confirmation that the South Belt lights will be turned on in the week starting on Monday August 14. The lights are replacing the roundabout at the busy intersection between South Belt, Southbrook Road and Percival Street.

The project, which started in January, has been a long one.

While we sought to minimise the disruption as much as we could, it has required a lot of tolerance from commuters, local residents and businesses.

We appreciate your patience.

Now that the work is nearing an end, we are confident users will appreciate the difference. [Read more here.](#)
