# About Us

## Background

Rangiora Promotions is run by an active volunteer Management Board of local business people, and three part-time staff to co-ordinate the administration and promotional aspects of the Association.

Rangiora Promotions Associations, formerly Our Town Rangiora, was established in 1996 and is focused on promoting and developing Rangiora as an attractive and thriving community offering a desirable lifestyle for businesses, residents and visitors.

## What we do

Our objective is to keep Rangiora prosperous, accessible and vibrant with a strong sense of community.

Our Management Board meet monthly to discuss current and new ideas; we offer an annual membership for local businesses and non-profit organisations. We also deliver several of Rangiora's key community events and monthly networking functions. We are focused on promoting the town of Rangiora and the events within it.

## Community Events

- Eats & Beats
- The Big Splash
- North Canterbury Expo
- Christmas Celebration Night
