October Newsletter

Recently I have been asked about a schedule for late night retail hours by several Rangiora retailers. Each time my answer is the same, Rangiora Promotions don't govern this, however to assist we would like to survey our members to find out what you would like to do over the lead up to Christmas - please keep an eye out for this survey and we will report back to you as soon as we have the results.

In the meantime - what we can say is Christmas Celebration Night is a great night to open until 9:30pm. It's a Thursday, Farmers will be open and likewise many other retailers have committed to this evening as well as all our CBD eateries. Just a reminder that this event is only three weeks away and on the day we will close High Street from 3pm, to clear the cars and begin setting up for this amazing late night shopping event. We will also have professional Fireworks going off from Victoria Park at 9:30pm so the park will be closed to the public from 5:00 - 10:30pm

Best Wishes, Belinda Topp - Promotions and Membership

With the festive season sneaking up on us it is pleasing to report that planning for Christmas Celebration Night, the Santa Parade and Party in the Park are all well under way and promising to be bigger and better than previous years.

At the Last Wednesday Club I talked with business owners about how trading was going for them, and it would appear everyone has felt the effects of a damp spring and lengthy election campaign. The feeling I left with was that businesses were optimistic and looking forward to an increase in trading as we get closer to Christmas and the weather improves.

Best Wishes, Ross Ditmer, Chairperson

LAST WEDNESDAY CLUB

Thank you to Brad and Alice of Stirling Sports and Gemma of Pita Pit for hosting us at the October Last Wednesday Club.

Stirling Sports Rangiora is turning one next month, and Brad & Alice have some great things planned for this so make sure you keep a look out on their Facebook page for these. They let us know how overwhelmed they are by the support of the local community and businesses, who they are really enjoying working with.

Gemma and her partner wanted to bring a healthy fast food option to Rangiora, and that is how Pita Pit was born. They have gluten free and vegetarian options, make amazing pita chips, smoothies and bliss balls, along with their pita's and salads, and provide catering for events and functions.
